

Our PROMISE

Menu PRICING

We know what you're thinking! Why is the menu oddly priced? Hotel Richlands prices its produce according to movements in the Produce Markets and Beef Markets. So it makes sense for us to base our prices on these and similar markets too. Up and down; to get best value and a fair price to you.

We have a straightforward formula that converts wholesale prices into restaurant prices and publish these prices straight to our menu. So if these formulas say a restaurant steak should be \$29.37 then that is what it is on the menu!

Parmy PERFECTION

We 'schnityounot', our schnitzels are simply the best. How do we know this? Well, people say our schnitzels are cooked to 'schnitfection'.

Let's start with our slow cooked Napoli sauce, made with fresh, full flavoured tomatoes from the motherland. Combine these with the freshest garlic, olive oil, basil and oregano and you've got the best bloody sauce in town!

And don't get us started with the secret cheese topping...perfectly melted and caramelised for you.
